Splash
A familiar sound of water.

And a familiar voice.
I clearly know this person.

Why is it? He is so familiar from the very beginning.
This world, the country of Silla, is such a familiar place at first. But it has seemed familiar in a strange way. I never bother to question about it.
Which is also very strange.
Is it because I'm daydreaming?
I want to stay here.
Just simply because I have been in the past-love.
Just a person like that.
There are too many troubling things to even think of the past.

MISTY RAIN

The seal has finally been unleashed.

This voice is the one from the bird who took me here!
Is it the blue dragon!?
This is not the time yet, as I thought. It's because of him.

MISTY RAIN
I am sorry... This isn't right.
I have to commit a sin again.

But if I do nothing, then the same thing will occur again meaningleesly.
I hope that you understand that I can't do anything else but this.

I will put the scar back on you again.
For now, this is the best I can do.

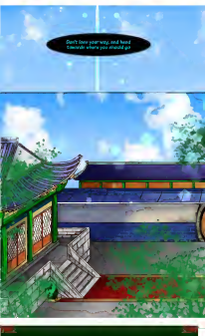
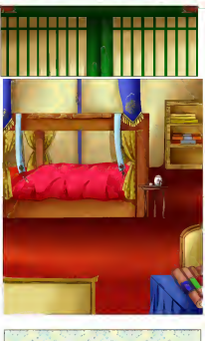
shake

And for now, I will keep this necklace safe.
This necklace was the meaning behind everything, so this is the best I can do.
I should be hugging this...

I will be ready... your memories regarding this necklace.



Some day we will meet again somewhere. Maybe it's not a dream. Then, I will give you back this necklace. Until then, please.



Don't love your way, and have I become where you should go?

roll around
Huh, what is this, it's so fluffy.
Ha! Be a making a mummy out!
What is it?
Uwa!

Why... why is this person here?!
Did I... sleep with him?! Really?! But why?! What happened?

I want to ask him.
But... I shouldn't wake him up.
Me
Me

Nothing must have happen, but this is really embarrassing.

And...
I can s... clearly that I went into the past, but how did I com back?
Why did the Mu Qingyan surprisingly only took my nuckles away in my dream?
No, before that, what is a dream and what is reality?

I can't recall some things, and I think he know why.

And wait, is this my room?

I should ask him when he wakes up...
Huh?

grab

I see that you're awake now.
Should we continue doing what we couldn't do last night?

Hey, did you hear something about Lisa?
I heard it quite a while ago, isn't it a good thing?

Yeah it is, but I don't know what's going to happen now.
About what?

About the Lisa!
What is this?
Emperor thinking... hum!
Is it about Lady Wei Yiang?
Yeah it is.

...Yi Heani
